Discussed additional tasks to be done including costs for stump grinding. How much do we want to bull doze versus cutting with chain saw? General consensus is that bulldozing will be preferable. Al M. will come back next meeting with approximate cost for dozing. Mark Schroeder was asked about the potential of getting the trail funded. There was discussion that it is questionable due to it crossing the creek. Can 5 miles of funding from the Wild Rivers be shifted to cover the new trail?
