- The stumps need to be marked on trails 4 and 6, along with trail 27 near the radio tower and Hines property. Ched Sisko will check the Wild Rivers Trail.
- Trail 4 hillside is done and turned out good. Al Makela made slight divots in the trail to help drain the water – we need to monitor this water. It is possible that we may need a culvert next year.

- The culvert on Trail 235 is being checked out by Clint.
- Shack staining is all done. The sign boards need to go up. Al Makela needs to put up the lights and batteries. The kindling crate is at the shack. Don Miesbauer and Bruce Bergsten will get the kindling from Ronchi's and take it to the shack. There was discussion of a stand or something for the BBQ grill to be more stable, but away from the building.
